

## Public Review Response Form

### Reaffirmation of ANSI E1.14 - 2018, Entertainment Technology— Recommendations for Inclusions in Fog Equipment Manuals

**Referenced document:** ANSI E1.14 – 2018, Entertainment Technology—Recommendations for Inclusions in Fog Equipment Manuals (document number: F&S/1999-3006r5)

**ANSI public review period:** 17 February through 3 April 2023  
(Earlier responses will be accepted. Later responses may not be considered as part of this review.)

**Question:** ANSI E1.14 – 2018 is being considered for reaffirmation. Do you suggest corrections or additions to the current standard, or do you think it is adequate as it is? Please click the appropriate radio button

**It's okay.**

**It needs additions**

Please record your suggestions on the next page in the field provided.

**It has errors that need correction**

What is wrong? Please explain on the next page what would need to be changed and how it would need to be changed to fix the problem you have identified. Please provide text for inclusion in the standard that would resolve your concerns.

P.O. Box 23200  
Brooklyn, NY 11202-3200  
standards@esta.org

Please also send a copy of the completed Public Review Response Form to:

Secretary, Board of Standards Review  
American National Standards Institute  
25 West 43rd Street  
4th Floor  
New York, NY 10036  
psa@ansi.org

Please record below any suggested additions or corrections to the standard. Please be as specific as possible and cite what text needs to be changed, how it needs to be changed, and why, if you are recommending that we change anything. Do not pose rhetorical questions that require the reader to infer what your objection or suggestion is. The committee may decline to make a change if it cannot determine what change would be needed. Do not return a marked-up copy of the standard.
