ANSI Public review period: 01 December through 10 January, 2024

Question: In your opinion, do you think the changes shown in the current draft BSR E1.21, *Temporary Structures Used for Technical Production of Outdoor Entertainment Events* (Document number Rig2023-2003r1a) adequately resolve the intent of this public review, as stated in the public review explanation?

Please answer the question using one of the options below. Select “Yes”, “Yes, but...” (provide comments to support your opinion), or “No, with reasons” (the document’s requirements are unacceptable or unreasonable).

Yes

Yes, but... Please record your comments in the field provided on the next page

No, with reasons Please explain on the next page what would need to be changed and how it would need to be changed to earn your unqualified “Yes”. Give a justification for the change, and provide text for inclusion in the standard that would resolve your concerns.

Please record below any comments or objections to the draft standard. Please be as specific as possible - if you recommend making changes, cite what text needs to change, how it needs to change and why. Do not pose rhetorical questions that require the reader to infer your objection. The committee may decline to make a change to resolve an objection if it cannot determine what change would be needed to satisfy the commenter. *Mark-up versions of the draft standard will not be accepted.*
