

**Public Review Response Form
BSR E1.37-5, General Purpose Messages for ANSI
E1.20, RDM**

Referenced document: BSR E1.37-5, General Purpose Messages for ANSI E1.20, RDM (document number CP/2014-1049r4)

ANSI public review period: 14 May through 28 June 2021
(Earlier responses will be accepted. Later responses may not be considered as part of this review.)

Question: What is your opinion of BSR E1.37-5, General Purpose Messages for ANSI E1.20, RDM? Is it good as it is, is it good but would be better with some changes, or is it unacceptable? Please click the appropriate radio button.

It's good.

**It's good but
could be
better.**

Please record your comments on the next page in the field provided.

**It's
unacceptable.**

What is wrong? Please explain on the next page what would need to be changed and how it would need to be changed for you to click "It's good." Give a justification for the change. Please provide text for inclusion in the standard that would resolve your concerns.

I hereby grant ESTA the non-exclusive, royalty-free rights to use my comments, and I understand that I acquire no rights as a joint author in any publication in which my comments are used.

Secretary, ANSI Board of Standards
Review
25 West 43rd Street
4th Floor
New York, NY 10036
psa@ansi.org

Please record below any comments or objections to the standard. Please be as specific as possible and cite what text needs to be changed, how it needs to be changed, and why, if you are recommending that we change anything. Do not pose rhetorical questions that require the reader to infer what your objection is. The committee may decline to make a change to resolve an objection if it cannot determine what change would be needed to satisfy the commenter.
