1 Opening remarks

Larry Schoeneman called the meeting to order at 19:00.

2 Attendance and membership

2.1 Introductions of those present

Those present introduced themselves.

2.2 Determination of quorum

Schoeneman announced that we have a quorum.

2.3 Recognition of alternate voting members

There were none to recognize.

2.4 Requirements for membership

Schoeneman read the following statement aloud to the assembly:

"Working group membership is open to all who are affected by the work of the group. Voting members must vote on letter ballots and attend meetings. A member's voting status will be changed to observer if he and his alternate miss three consecutive letter ballots or three consecutive meetings. Voting status change due to failure to vote will be done at the conclusion of the ballot period. Voting status change due to lack of attendance will be done at the beginning of the third meeting missed. Reinstatement of voting status may be requested at the next meeting attended."

2.5 Processing of new membership applications

An application had been received from Brad Dittmer, applying to represent Stage Labor of the Ozarks as a Principal voting member in the User interest category.

Mike Wood moved that Dittmer's application be accepted. The motion was seconded and then approved with a show of hands.

2.6 Processing of changes to observer status if this meeting is missed

The following voting members have missed the last two consecutive meetings and will be moved to observer status if this meeting is also missed:

5 Reading of the call for patents

Larry Schoeneman read the following statement aloud to the assembly:

"PLASA intends not to publish any standard that contains protected intellectual property, unless that information can be licensed by anyone for a reasonable fee. PLASA uses a process of open patent and copyright disclosures to implement its intent. PLASA does not conduct patent or copyright searches and does not warrant that its standards contain no protected intellectual property.

"In keeping with the open disclosures policy, I ask if anyone present wishes to notify this working group of the existence of a patent or copyright or other intellectual property that might protect material in a standard

being developed by this working group. You need not be the holder of the patent or copyright to notify this working group of its existence."

No protected intellectual property was reported.

6 Reading of the anti-trust statement

Larry Schoeneman read the following statement aloud to the assembly:

"The PLASA Board of Directors, the Technical Standards Council, and the leadership of this working group will reject or nullify any actions that unlawfully restrain trade. Anyone who feels that such an action is being or has been taken is requested to bring that matter to the attention of the chair immediately. Anyone who feels that actions in restraint of trade have been taken and not properly annulled is requested to notify the TSC chair or PLASA chair immediately.

"PLASA legal counsel has informed us that violations of the anti-trust laws can have serious consequences. Individuals engaged in certain unlawful conduct can be found criminally liable. An individual convicted of a criminal violation of the Sherman Act may be fined as much as \$1,000,000 and imprisoned for up to ten years. An easy to read pamphlet describing restraint of trade issues is available from the Technical Standards Manager."

Karl Ruling, the Technical Standards Manager, held up some of the easy-to-read pamphlets to show that they were available at the meeting.

No restraint of trade issues were reported.
